

FISCAL NOTE

HB 2307 - SB 2259

March 29, 2007

SUMMARY OF BILL: Deletes various obsolete provisions of current law relative to workers' compensation. Changes the formula for the awarding of attorney fees in workers' compensation cases.

ESTIMATED FISCAL IMPACT:

MINIMAL

Assumption:

- Attorney fees are paid from awards and not as a separate disbursement from the Risk Management Fund. While the final amount of the award received may change as a result of paying attorney fees in a different amount, the payout from the Risk Management Fund will not change.
